

Re-Invitation for Expression of interest Individual service consultancy

Date: 29.08.2022

Assignment:	Gap Analysis of the Human Rights and role of Civil Societies on Human Rights in Kosovo
Name of the Project:	Human Rightivism Project
Funded by:	Embassy of Sweden, Pristina, Kosovo
Implemented by:	Community Development Fund (CDF)

BACKGROUND

Embassy of Sweden, represented by Sida, awarded CDF the Project "Human Rightivism" during the period from January 1, 2020 until December 31, 2023. The project's overall objective of the project is to support local human rights defenders to develop a thematic and long-term collaboration with local CSOs and people of diverse backgrounds regardless of gender, disability, age, ethnicity, class, urban/rural, or socio-economic background.

PURPOSE AND OBJECTIVES OF THE REVIEW

Under the Community Development Fund(CDF)/Human Rightivism project provisions, CDF invites eligible individuals to submit their Technical and Financial proposals to provide the following service:

The assignment includes a gap analysis and provide recommendations on Human Rights and the role of CSOs in Human Rights in Kosovo. These findings will help to understand more in-depth the macro aspect of the GAP of the Human Rights in Kosovo and our impact and role on the picture of the general Human Rights in Kosovo. After the completion of this study, will be organized a public event to present the report and bring the key human rights stakeholders into the role of panelists. The purpose is to ensure CSO's/NGO's preparedness planning gaps are identified throughout, along with adapting tools and recommendations are made for content development and systematic integration of considerations from CSO perspective to tackle the macro gap matter from Human Rights perspective.

More specific objectives are as follows:

- Assess the general Human Rights areas encompassing the specific target groups such as youth, marginalized groups, women, environment, and labor gap analysis.
- Assess to what extent Human Rights progress has contributed CSO role to addressing the needs and problems identified during project implementation;
- Identify and document substantive lessons learned, good practices, and also opportunities for scaling up the future Human Rights situation in Kosovo;
- Provide forward-looking programmatic recommendations for the Project and support to the national institutions and CSO's/NGO

SCOPE AND METHOD OF WORK

Gap Analysis over the Human Rights areas including specific target group(s), it is a process that seeks to assess and provide in-depth analysis of the current Human Rights Gap and the CSO role on improvement of Human Rights areas.
